Good Afternoon Terry,

I did speak with Mr. Dodson, but I do not recall giving him the green light to make requests directly to you, without notifying me. Please have him to send me his request. Did we not provide this information to his predecessor? Have a pleasant afternoon.

Ursula,
Mick called me a short time ago and stated that he had spoken to you a while back after the last time he called me and said that you were OK with us providing him information. I just wanted to confirm and keep you in the loop that he made this request today. Let me know your thoughts.

Thanks,
Terry McElveen
